

Presenting the Networking Warrior !! For Simple and Powerful Connectivity

ATRIE - The Global Access Transmission leader works 24 x 7 to fulfill your basic business needs and ensures that your network is Reliable, Faster, Uninterrupted and Secure. With 18 years of rich experience and huge global successes , ATRIE TECHNOLOGY now brings you total networking end-to end solutions . This increases the reliability of your Network as our products talk effectively and efficiently to each other. Being members of I.TUT & I.EEE , our products adhere to the open standards to

protect your current investments and ensure that you have the benefit of choice and are not dependant on propreitary hardware.

We accentuate your business potential by ensuring that your networks are 24 x 7 reliable.

We bring to you Leased Line modems (64 Kbps - 2Mbps) , Routers (800 - 3600 series) , Switches (Managed & Unmanaged, L2 / L3) , Interface Convertors, Ethernet Bridges and Wireless LAN's all from the ATRIE stable.
