

ATRIE ADSL 2+™ ROUTER WITH BUILT IN ADSL 2+™ MODEM AND WIFI-802.NM

The Broadband Connectivity Warrior

The 18 year old Networking Connectivity Champions ATRIE TECHNOLOGY brings you hi-speed broadband connectivity now. ATRIE enables Broadband through its ADSL 2+ based technology products. The ADSL's bring you hi-speed, reliable and uninterrupted broadband internet connectivity 24x7.

Its FAST, its RELIABLE and its SECURE and more than anything its fun: games, mail, information downloads, voice,

films, video applications all this and more is what's possible through the ADSL 2+ technology that ATRIE brings to your home and office.

More and more customers are using ATRIE products. We would be proud to share our customer successes with you and bring success to your broadband needs too.

With the Broadband revolution truly happening today we at ATRIE are

geared to make this come true. Our products are ideal for homes, hence for Broadband or Telecom operators who seek thousands of units to connect homes, small offices and enterprises, we look at making this dream of yours come true.

ATRIE is already participating in this revolution with some of its valued customers who are installing thousands of our ADSL's for their customers today.
