

## **ATRIE DB 101 ADSL Modem**

Atrie DB101 USB ADSL modem is ideal for residential customers looking to get simple broadband access at an affordable price. The modem's USB capabilities allow for easy Plug-n-Play functionality with any standard USB port enabled desktop/laptop. The auto-detection and configuration capabilities, along with the lack of need for an external power supply makes the DB101 simply the most convenient modem for households looking for a quick and user-friendly installation process.
